## **C. Russell Johnson Memorial Scholarship**

The C. Russell Johnson Memorial Scholarship is awarded in memory of Mr. C. Russell Johnson, a long time member and supporter of Worcester County Light Opera Club. We would like to express our gratitude to Jerry Johnson and the Johnson family for their generosity, which makes this annual scholarship of \$200.00 available to our organization. The scholarship has two purposes: to enhance the talent and expertise of area performers and to increase the quality of local theater productions.

This scholarship is open to both performers and production staff. The successful candidate will be a person who:

1. Has performed or worked with WCLOC during the past two (2) years.
2. Has a desire to further his/her education/expertise in the performing arts.
3. Has a specific school, instructor, or program with whom he/she would be studying.

Scholarship money is designated only to specific institutions, programs, or instructors.

Scholarship applications must be received by early June . The winner of the scholarship will be notified of the award in late June. The scholarship will be presented to the recipient at the Board of Governors Meeting in July.

If you have any questions please contact us at (508) 753-4383.

Completed applications should be mailed to: WCLOC – Johnson Scholarship
